TOOLS:

- [Iron \(1\)](#)
- [Sewing machine \(1\)](#)
- [needle, scissors, \(1\)](#)

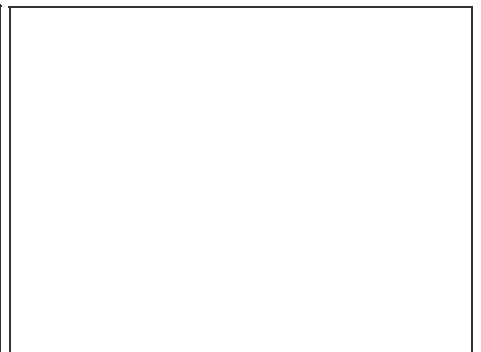

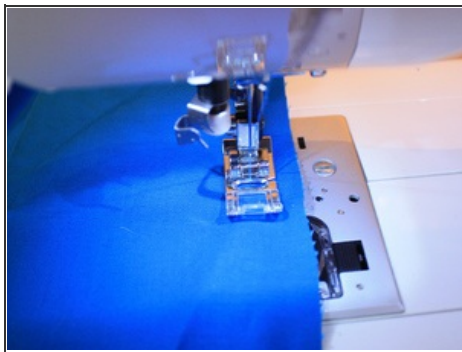

PARTS:

- [Blue Fabric \(1\)](#)
- [White Fabric \(1\)](#)
- [Gold button \(1\)](#)
- [White piping trim \(1\)](#)
- [White Gloves \(1\)](#)
- [Vintage Magazine \(1\)](#)
- [Fusible interfacing \(1\)](#)

SUMMARY

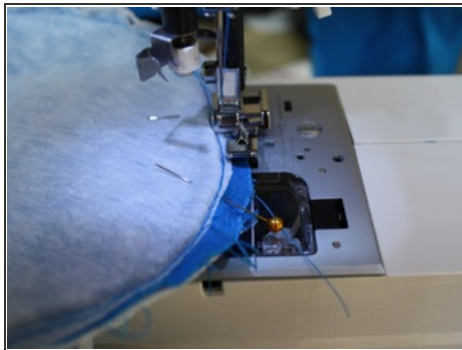

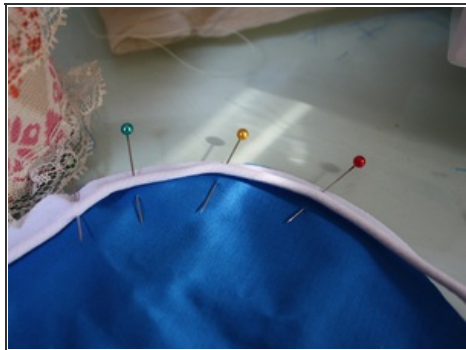

I was excited this year to finally use my Pan American World Airways bag that I found at a thrift store 5 years ago. My Halloween costume is inspired by the *Pan Am* TV series that aired in early September. It was very easy to make from a standard pattern I purchased at a fabric store. Then I added a vintage *Life* magazine (I collect them), white gloves and a retro makeup look - so super easy.

Step 1 — Pan Am Costume

- Lay out your pattern for the blazer and the skirt - cut out then sew your 2 basic pieces for the costume. For the white collar, I just used the same pattern piece and cut it out with the white fabric then attached it to the finished jacket - so easy!
- Pattern for the hat and wing.

Step 2

- The hat: Cut out your fabric on the pattern - add the white trim on the outside of the hat. Sew 1/2" seam allowance for the pattern. When finished turn to the right side.

Step 3

- Cut out your wing with the pattern on your blue fabric - add the white trim on the outside wing. Sew then turn right side out; iron.

Step 4

- Once finished add a gold button to your wing on the hat.

Step 5

- You are almost done! Grab your vintage magazine and Pan Am travel bag, put on some retro-inspired makeup to finish the look and then you're ready to go!!!!
